§ 668.134 Institutional policies and procedures for requesting documentation and receiving secondary confirmation.

(a) An institution shall establish and use written policies and procedures for requesting proof and securing confirmation of the immigration status of applicants for title IV, HEA student financial assistance who claim to meet the eligibility requirements of § 668.33(a)(2). These policies and procedures must include --

(1) Providing the student a deadline by which to provide the documentation that the student wishes to have considered to support the claim that the student meets the requirements of § 668.33(a)(2);

(2) Providing to the student information concerning the consequences of a failure to provide the documentation by the deadline set by the institution; and

(3) Providing that the institution will not make a determination that the student is not an eligible noncitizen until the institution has provided the student the opportunity to submit the documentation in support of the student's claim of eligibility under § 668.33(a)(2).

(b) An institution shall furnish, in writing, to each student required to undergo secondary confirmation --

(1) A clear explanation of the documentation the student must submit as evidence that the student satisfies the requirements of § 668.33(a)(2); and

(2) A clear explanation of the student's responsibilities, with respect to the student's compliance with § 668.33(a)(2), including the deadlines for completing any action required under this subpart and the consequences of failing to complete any required action, as specified in § 668.137.

gibility under § 668.33(a)(2) by relying on the INS response to the Form G-845.

(b) An institution shall make its determination concerning a student's eligibility under § 668.33(a)(2) pending the institution's receipt of an INS response to the institution's Form G-845 request concerning that student, if--

(1) The institution has given the student an opportunity to submit documents to the institution to support the student's claim to be an eligible noncitizen;

(2) The institution possesses sufficient documentation concerning a student's immigration status to make that determination;

(3) At least 15 business days have elapsed from the date that the institution sent the Form G-845 request to the INS;

(4) The institution has no documentation that conflicts with the immigration-status documentation submitted by the student; and

(5) The institution has no reason to believe that the immigration status reported by the applicant is incorrect.

(c) An institution shall establish and use policies and procedures to ensure that, if the institution has disbursed or released Title IV, HEA funds to the student in the award year or employed the student under the Federal Work-Study Program, and the institution determines, in reliance on the INS response to the institution's request for secondary confirmation regarding that student, that the student was in fact not an eligible noncitizen during that award year, the institution provides the student with notice of the institution's deter-

mination, an opportunity to contest the institution's determination, and notice of the institution's final determination.

(Authority: 20 U.S.C. 1091, 1094)

**§ 668.137 Deadlines for submitting documentation and the consequences of failure to submit documentation.**

(a) A student shall submit before a deadline specified by the institution all documentation the student wishes to have considered to support a claim that the student meets the requirements of § 668.33(a)(2). The deadline, set by the institution, must be not less than 30 days from the date the institution receives the student's output documentation.

(b) If a student fails to submit the documentation by the deadline established in accordance with paragraph (a) of this section, the institution may not disburse to the student, or certify the student as eligible for, any Title IV, HEA program funds for that period of enrollment or award year; employ the student under the Federal Work-Study Program; certify a Federal Stafford or Federal PLUS loan application, or originate a Direct Loan Program loan application for the student for that period of enrollment.

(Authority: 20 U.S.C. 1091, 1094)

**§ 668.138 Liability.**

(a) A student is liable for any LEAP, FSEOG, Federal Pell Grant, ACG, National SMART Grant, or TEACH Grant payment and for any Federal Stafford, Direct Subsidized, Direct Unsubsidized or Federal Perkins loan made to him or her if the student was ineligible for the Title

**The A-Number on the FAFSA and the DHS verification number**

When the CPS matches with DHS records, a 15-digit verification number is assigned to the student and printed in the "FAA Information" section of the SAR and ISIR. This number is needed for paper secondary confirmation with the DHS (see "Secondary Confirmation") and is reported in box 6 of the G-845S form. **If the student does not provide an A-Number**

citizenship match flags won't appear on the output document. You should follow the usual procedures for resolving any DHS match discrepancies.

If a student leaves the citizenship question blank but provides an A-Number, the CPS will assume the applicant is an eligible noncitizen and will attempt to match the A-Number with DHS records. If the student leaves both the citizenship question and A-Number blank, the CPS won't match with DHS records and will reject the application. The student must submit a correction with the citizenship status and A-Number if he is an eligible noncitizen.
